PRINCIPAL'S MONTHLY FIRE DRILL AND INSPECTION REPORT

INSTRUCTIONS: G.S. 115C-288 (d) requires each principal "to conduct a fire drill during the first week after the opening of school and thereafter at least one fire drill each school month, in each building in his charge, where children are assembled." It further requires each principal "to inspect each of the buildings in his charge at least twice each month during the regular school session" and to file a written report on this form once each month with the school officials indicated. Failure to perform these duties is considered a misdemeanor (G.S. 115C-525(c).
