Request for Student Transfer Into Enhanced Academic Calendar or Kindergarten Language Immersion Program

Parents or guardians wishing to transfer a child into Northside K-8 School or Mariam Boyd Elementary School to have their child on the enhanced academic enhanced (year-round) calendar or to participate in the kindergarten language immersion program at Northside K-8 School can make such request by completing this form and turning in to the central administrative office. Please complete a form for each child. **Granting this request will result in the parent being responsible for transportation for each child.** Approval of the transfer request shall be dependent upon the availability of space. Please note that a new transfer request form must be completed each school year. Any approved transfer request will be null and void if a student is tardy or absent consistently.

To be completed by Parent or Guardian (**Proof of Legal Guardianship must be provided**).
